

HOMELESS ORPHAN GIRL OF 9 FOUND ASLEEP IN HALLWAY.

Turned Out of House, She Says, by Woman With Whom Brother Left Her.

A pretty little girl, who says she is Katherine McAvoy, nine years old, was found asleep in the hallway of No. 808 West Twenty-sixth street early today. At the West Seventeenth street station she said she had no home.

"Father died in Bellevue Hospital ten days ago," she told the police. "Mamma's been dead more than a year."

"My brother Jim told me father was dead and then Jim took me to a friend's house in Ninety-ninth street, near Third avenue."

"I don't know the address. We lived near there. I didn't see Jim after that, and yesterday the woman turned me out of the house."

"I didn't know where to go to find Jim, so I walked around and thought I might find him when he came home from work."

She could not say what school she attended. Katherine was taken to the office of the Children's Society.

Walked the Plank Into River.

While walking a plank from the pier to the private yacht Rheideir, at the foot of Madison street, Union Park, early today, a sudden gust of wind and a misstep caused Charles Conlan, sixty-three years old, the chief, to go overboard. Andrew Rayelle and Theodore Sennison, who live nearby, heard his cries and fished him out. He was taken to the Cherry Island Hospital.

Try This Home-Made Cough Remedy

Cure Little, but Does the Work Quickly, or Money Refunded.

Mix one pint of granulated sugar with 3/4 pint of warm water, and stir for 5 minutes. Put 1/2 ounce of Pine (fifty cents' worth) in a pint bottle; then add the Sugar Syrup.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles.

This recipe makes more and better cough syrup than you could buy ready made for \$1.00.

Pine is the most valuable concentrated compound of Norway white pine extract, and is rich in gualacal and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Finex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equalled. A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Finex or will get it for you. If not, send to The Finex Co., Ft. Wayne, Ind.
